SOMERSET capital group | CARBON ROBOTICS

a more **INTELLIGENT** approach to your equipment needs

Flexible Agri-Farm Financing Options

Our Unique Approach

- Asset management services
- Logistics
- Asset disposal
- Asset acquisition
- Supply of equipment (certain markets)
- Creative and flexible lease and financial structures
- International reach throughout the Americas, Asia and Europe
- **40 years of consistent performance through the cycles.**

OUR SIMPLE PROCESS:

1. **DETERMINE EQUIPMENT COST AND TERMS**
2. **COMPLETE CREDIT APPROVAL**
3. **PROCESS PAPERWORK**

AN OPERATING LEASE EXAMPLE:

- Equipment Cost: $1,480,000
- First Year Annual Support: $20,000
- Total Cost: $1,500,000
- Term: 60 Months

Monthly	Quarterly	Annual
$27,656	$82,324	$318,414

At End of Term: Extend the Lease, Purchase the equipment or return the equipment

- Payment amounts will be adjusted with the current market rate until the lease begins.
- All rates are subject to credit approval.
- 20% down payment = Financed

Contact us today and learn how we can help you go beyond finance.
